

The Carrivick Sisters

Tech Spec

PA + technical support requirements

Musicians : Laura Carrivick, Charlotte Carrivick

Once they have brought in all their equipment on site they usually need approx. 1 hour to set up gear and perform a sound check.

Show time: 2 x 45 minutes (unless otherwise agreed in the contract).

The Carrivick Sisters will not bring their own sound or lighting technician.

Requirements are:

- 1x PA & sound engineer
- 2 x Vocal mics (preferably SM58)
- 2 x instrument mics (preferably SM57)*
- 1 x DI Box
- 2 x XLR (own preamps)
- On stage power would be good when possible for pedal tuners etc.

*please note one of these must be on a full height stand rather than a smaller guitar mic stand as it need to reach up and over the dobro with plenty of clearance

We will perform standing up

Instruments

Charlotte Guitar, mandolin, banjo & vocals

Laura Fiddle, dobro, guitar & vocals

Stage Plot

Charlotte	Laura
Vocal mic	Vocal mic
